EAAACI

EUROPEAN ACADEMY OF ALLERGY
AND CLINICAL IMMUNOLOGY

ABOUT EAACI

EAACI IS CONTINUOUSLY GROWING

The world's leading and largest medical association in allergy, asthma, and clinical immunology

CORE VALUES OF EAACI

Inclusiveness, equanimity, top science, excellence, and collegiality

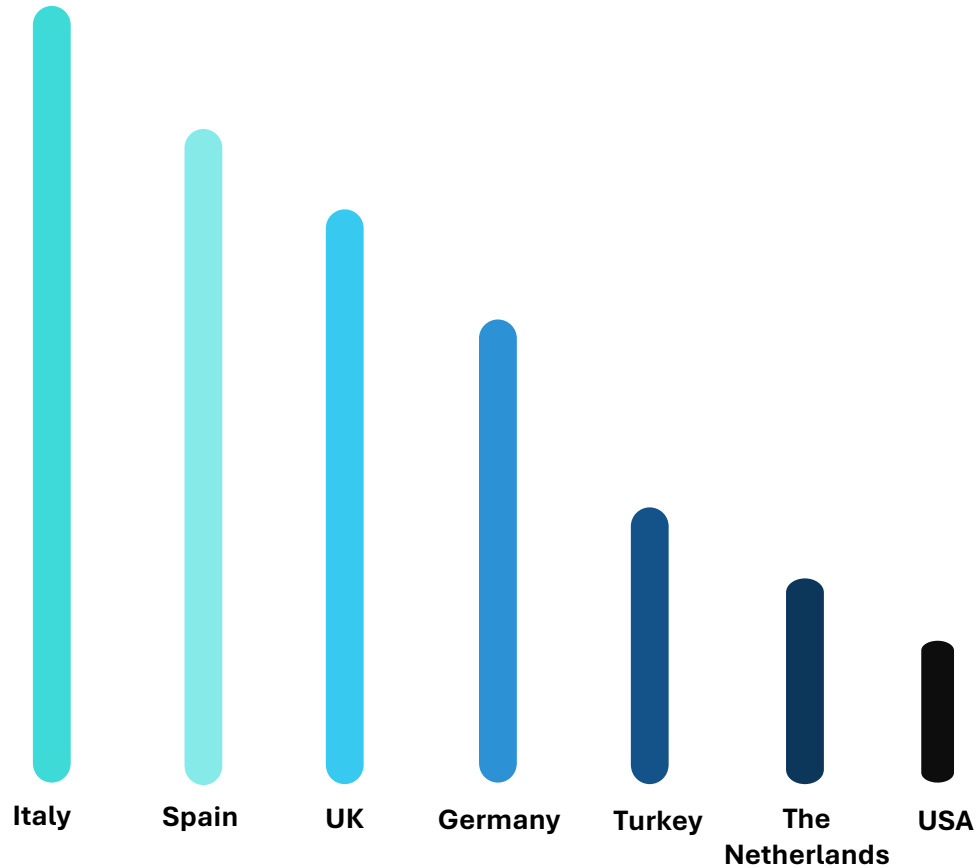

EAACI IS AT THE FOREFRONT

Translating bench-to-bedside innovations and offering the best education and advocacy platform

EAACI Membership

TOP COUNTRIES

Over
16,000 MEMBERS

More than
125 COUNTRIES

EAACI, a patient centered organization

Mission & values aligned with patient goals

**Full transparency and fast delivery
of information**

**Care is collaborative, coordinated,
accessible**

Family welcome in care setting

**Physical comfort and emotional well-being
are top priorities**

Patient and family included in decisions

**Patient and family viewpoints
respected and valued**

EAACI Membership

Network

Connect with clinical experts, researchers, and patients globally.

Latest science

Access cutting-edge science through our journals, educational programs, and meetings.

Resources

EAACI guidelines, educational materials, and other resources.

EAACI events

Save on registration fees for all EAACI events and the EAACI/UEMS Knowledge Examination.

Voting

Members have voting rights and can be elected to the ExCom, Sections, and IG boards.

EAACI Membership

Join the **EAACI family** and access numerous benefits by becoming a member!

EAACI Junior Members

Free membership for individuals **aged 35 or under** who are scientifically or clinically interested in allergy and clinical immunology.

Possibility to apply for the Clinical Fellowship Award, Research Fellowship Award and travel grants to EAACI Events.

JM Main Activities

- **EAACI Journals Collaborations**
- **JM News Corner**
- **Groundbreaking Discoveries in Immunology**
- **Educational initiatives like Allergy College, “Tell us about your project” contest or Mentorship Program**
- **JM Quiz**

EAACI Executive Committee

EAACI Committees

EAACI Committees ensure common judgment and decision-making on key topics for the academy.

Governance Committee

Elections Committee

Exam Committee

National Societies Committee

Research & Outreach Committee

CME and Specialty Committee

Ethics Committee

Methodology Committee

Patients Organization Committee

Scientific Media Communications Committee

Science Committee

Quality Committee

Tailored Education Committee

EAACI Knowledge Hub

Through a wide range of scientific events, EAACI provides a highly respected avenue for communication and knowledge exchange.

Revolutionising Patient Care
Through the Power of Data Science

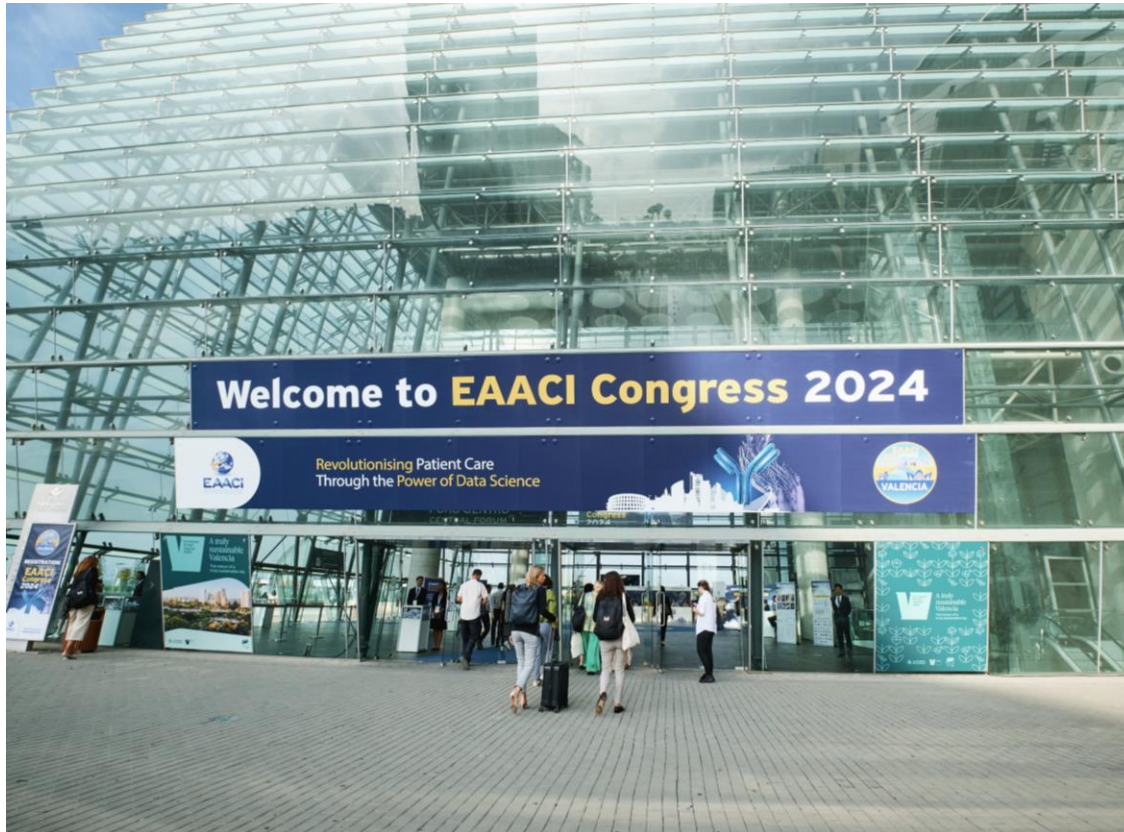

#EAACIcongress www.eaaci.org

Annual Congress

EAACI Congress 2024 in Valencia, Spain: Revolutionising Patient Care Through the Power of Data Science

Over 8,000 attendees from across the world.

Focused Meetings

In-depth discussion about specific topics within targeted medical communities

PAAM Hybrid 2023

📍 Porto, Portugal

ISAF Hybrid 2023

📍 Rome, Italy

DHM Hybrid 2023

📍 Verona, Italy

SAM Digital 2023

📍 Digital

Allergy and Winter Schools

Training courses built to offer a solid foundation in specific areas, especially for those new to the field or fellows in training.

**Immunology Winter School
2024**

📍 Zakopane, Poland

**Immunology Winter School
2023**

📍 Davos, Switzerland

**Allergy School on Anaphylaxis
2023: Anaphylaxis revisited**

📍 Izmir, Turkey

**Allergy School in Taormina
2023**

📍 Taormina, Italy

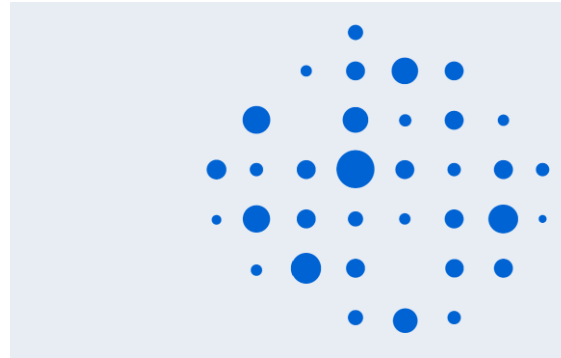

Master Classes

Master Classes targeting professionals and specialists with a higher level of experience in exclusive workshops formats.

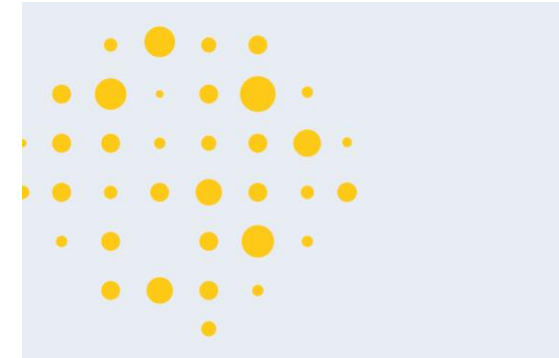

**Master Class 2023 – Exposures
in a changing environment –
working together to prevent
airways disease**

📍 Madrid, Spain

**Master Class 2022:
Management of Allergic
Diseases in Adolescents and
Young Adults**

📍 Geneva, Switzerland

**Master Class 2022:
Perioperative Hypersensitivity**

📍 Verona, Italy

UPCOMING EVENTS

ISMA-RHINA
2024 JOINT INTERNATIONAL SYMPOSIUM ON
MOLECULAR ALLERGOLOGY AND
THE EUROPEAN RHINALLEGERY MEETING

HELSINKI - FINLAND
5-6 SEPTEMBER 2024

The poster features a stylized profile of a human head in white against a blue background with a molecular structure. Below, a blue-toned illustration of a city with domes and a boat on water is shown.

Chair

Christine Breynaert
Scientific Programme
Committee

David González de
Olano
Scientific Programme
Committee

Patrizia Bonadonna
Scientific Programme
Committee

Tomas Chivato
EAACI VP Education &
Specialty

📍 Venue: Euskalduna Congress Center

🗨 Main Topics:

- Exploring the link between Hymenoptera venom allergy and mast cell diseases
- Exploring Hymenoptera venom allergy and immunotherapy
- Handling VIT adverse reactions

Scientific Programme:

- 17 Faculty members
- Expected 120 Participants
- Registration & Abstracts is open
- €14,600 confirmed sponsorship income as of 24.05

Budget estimate*

Registration Income	Sponsors Income	Costs	Result incl. EAACI support (€ 40k)
€ 43'000	€ 14'600	€ 94'000	~ break-even

**realistic scenario: total 120 participants including faculty + € 14'600 sponsorship*

1 Master Class on Planetary Health and Sustainability, Malaga, Spain
04-05 October 2024

The Organising Committee

Maria Torres
Spain, MC Malaga 2024 Chair

Kari Nadeau
United States, MC Malaga 2024 Chair

Ioana Agache

Cezmi Akdis
Switzerland, MC Malaga 2024 Scientific Programme Committee

Marek Jutel
Poland, MC Malaga 2024 Scientific Programme Committee

Tomas Chivato
Spain, EAACI VP Education & Specialty

📍 Venue: University of Malaga, Faculty of Medicine

- 🗣️ Main Topics:
- World Vision of Climate and Sustainability
 - Climate and Health Access
 - Climate Change and the Biosphere

- 🌐 Scientific Programme:
- 24 Faculty members → International well-known Key Opinion Leaders in the field
 - Expected 100 Participants
 - Registration & Case submission is open
 - Introduced new Interactive sessions

Budget estimate*

Registration Income	Sponsors Income	Costs	Result incl. EAACI support (€ 40k)
€ 29'000	€ 5'000	€ 72'500	~ break-even

**realistic scenario: total 75 participants including faculty + min.5k sponsorship income*

1 Winter School on Basic Immunology, Schladming, Austria
30 January – 02 February 2025

The Organizing

Milena Sokolowska

Eva Untersmayr-Eisenhuber

Cristina Gomez-Casado

Alexandra Santos

Venue: Hotel Pichlmayrgut

- Main Topics:**
- Shaping of immune response in early life
 - Mucosal barriers in inflammation and cancer
 - Infections and immunity

- Scientific Programme:**
- 6 Keynote Speakers
 - 70 abstract presenters
 - Oral and Poster Presentation
 - Organizing Committee to be finalized
 - Next step: Scientific Programme & Abstract opening

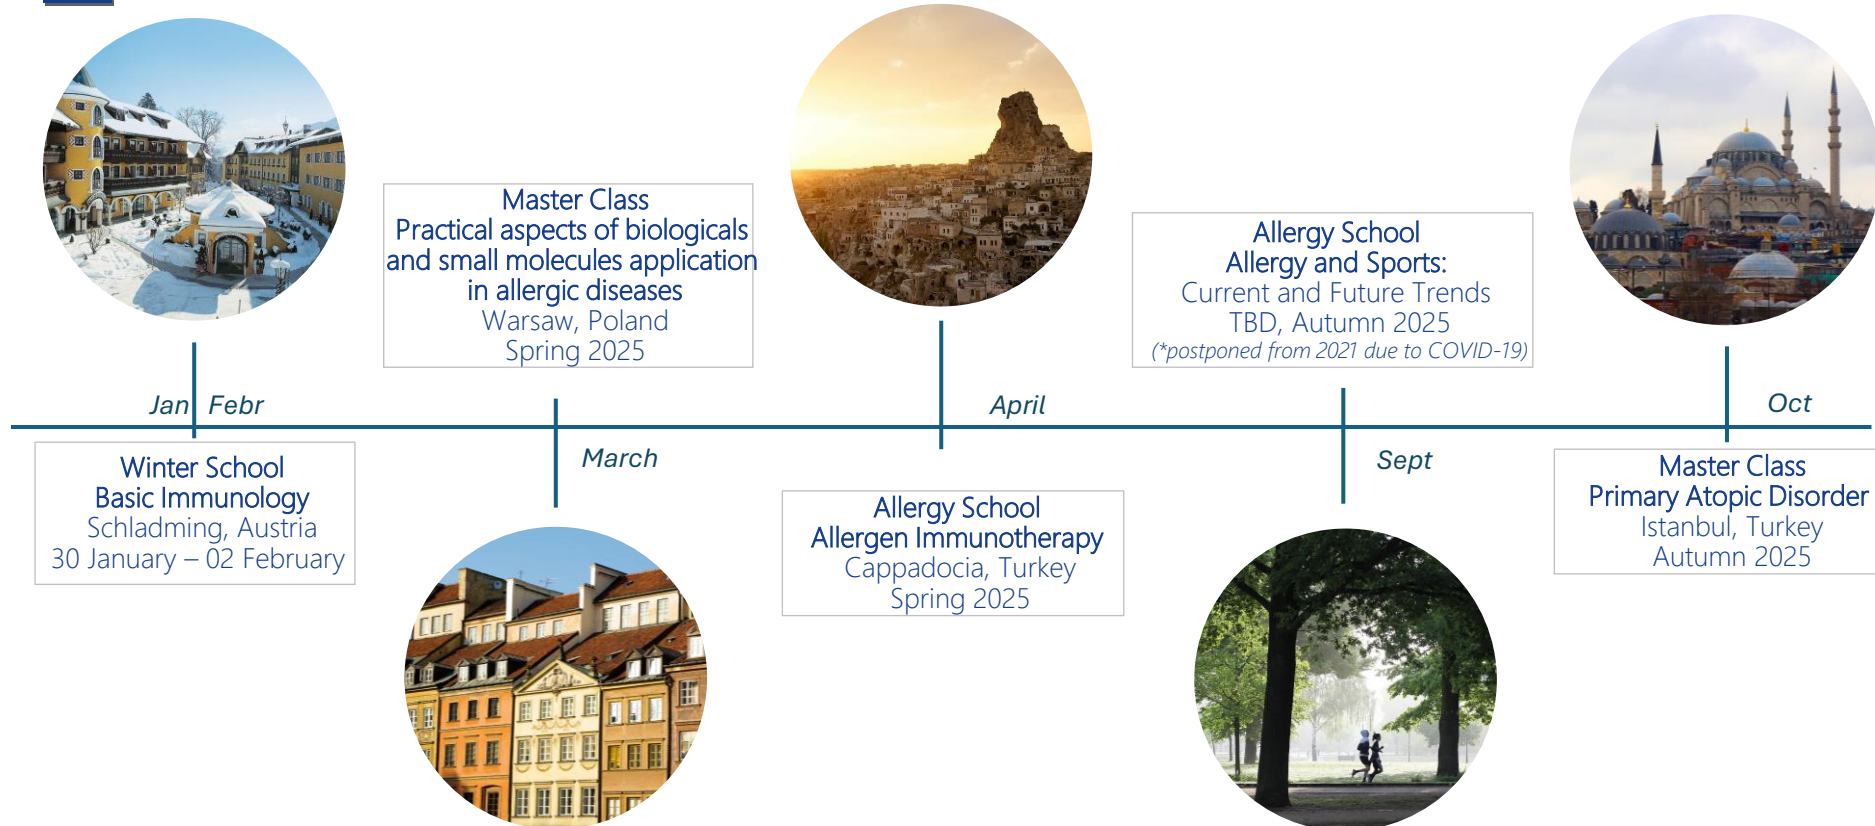

Budget estimate*

Registration Income	Sponsors Income	Costs	Result incl. EAACI support (€ 95k)
€ 2'000	€ 3'000	€ 98'000	~ break-even

EAACI Knowledge Hub

Resources Past Events Industry Content Education Community Patients

Key takeaways from the past year:

- Webinars
 - Immunology of Post-COVID Syndrome**
 - Remarkable attendance of **186 participants**
- Podcasts
 - **More than 600 views** in total on YouTube
- Patient Resources
 - Skin Microbiota Cartoon**
 - **attracted a large number of new users** after launching
 - effective content strategy: **driving user engagement and growth**

Educational Courses

Content Uploaded:

- ✓ **T2 Diseases**
 - *Module 1 – Pathogenetic mechanisms, endotypes and biomarkers*
 - **First CME Accredited Module (2022)**
 - Coordinator: Ioana Agache
- ✓ **Drug Allergy**
 - *Module 1 – Diagnosis of drug allergy*
 - **CME Accredited Module (2024)**
 - Coordinator: Asli Akkor
- ✓ **Recurrent Angioedema – State of the Art and Future Directions**
 - Coordinator: Asli Akkor
- ✓ **Drug Hypersensitivity Module**
 - Coordinator: Asli Akkor
- ✓ **Artificial Intelligence**
 - Coordinator: Mohamed Shamji
- ✓ **Effective Transition of Adolescents and Young Adults with Allergy and Asthma**
 - Coordinators: Graham Roberts and Marta Vazquez-Ortiz

Other ongoing Educational Courses:

- ✓ **Safety JAK inhibitors module**
 - Coordinator: Ioana Agache
- ✓ **Mast Cell Diseases**
 - Coordinator: Patrizia Bonadonna

EAACI Knowledge Hub

Key strategic for 2024-2026

grow the total registration numbers

improve the admin processes for a more efficient CME application

increase the number of CME accredited modules

- 1 Educational events overview 2024 -2025
- 2 Knowledge exam
